STAT

Dear

STAT

We are looking forward to seeing you at the meeting of the Steering Committee of the Intelligence Assessment and Policy Project, which will be a dinner meeting at Dacor Bacon House, 1801 F Street, on Wednesday evening, April 5, at 6:30 p.m.

I have asked Judge Webster and Graham to say a few words about the program after dinner, and I am planning to follow up with a description of progress in our research, case writing, and the seminars for intelligence analysts. We are hoping for a lively discussion of possible new avenues of research. I am enclosing copies of our two progress reports, which you have already seen, which we are now sending to the Steering Committee members.

If you have any thoughts about items which should be brought before the Steering Committee, just let me know. I look forward to seeing you on the 5th.

With warmest regards,

Sincerely yours,

Ernest R. May
